

# Michigan Standards for Ensuring Excellent Educators

The standards in this document, approved by the Michigan State Board of Education, represent the best thinking of thousands of Michigan educators. These educators have worked to define the highest skills and knowledge, educators must have in order to ensure high achievement for Michigan students.

## These resources provide guidance:

- within teacher and administrator preparation programs
- for designing and evaluating teacher induction and mentor programs, and
- for selecting and/or designing professional development experiences

**Code of Ethics**—available in packages of 10 for distribution to professional colleagues
